E19 - Earbud Freedomer

Set of two wireless earbuds coated with a rubber finish. Optimum sound quality with its BlueTooth 5.0 EDR Technology (Enhanced Data Rate).

The earbuds can be stored and recharged in its metal cynlindrical pedestal with a lighting logo. The charging case has a digital battery indicator to display the remaining battery.

An embedded microphone allows telephone communications on the two earbuds.

The pedestal battery can recharge each earplug twice.

Includes 3 tips of different sizes.
