W18 - 10W Charger Speaker

The W18 consists of two parts, with two distinct functions.

The base:

Is a 2x3W Bluetooth speaker with premium audio quality and a battery life of approximately 3 hours. The built-in microphone allows for conference calls.

The stand:

Is a 10W induction charger made of certified bamboo and rubber with a lighting logo, it is inserted into the base and is held magnetically in the enclosure. It allows you to charge your compatible devices in a vertical and horizontal position.

For optimal use of the product (speaker + 10W charger), we recommend using the charging cable provided.

Everything is included:

customization of light-up logo, charging cable and gift box.
