

S27 - Speaker Ring Eco 3W

3W FSC maple wood Bluetooth speaker with carved logo and a double sound output for an unparalleled sound quality for a speaker this size.

2 speakers can be paired together. Conference call function with built-in microphone.

The ring is a carabiner that can be tilted to forward the sound in a given direction. Its double sound output gives a stereo effect.

Everything is included : customisation, charging cable and gift box.
