

## FSC CERTIFICATION

SCX design hereby certifies that products of our range as below mentioned are produced from FSC (Forest Stewardship Council, <https://fr.fsc.org>) wood and bamboo materials.

Tests were duly conducted by an approved laboratory.

*P35/P36/P37 – Wooden lighting powerbank*

*C19/C29 – 3-in-1 wooden lighting cable*

*W13/W14/W16 – Wooden charging base 10W*

*W18 – 10W Charging station + speaker*

*W30 – 10W Charging station + clock*

*S27 - 3W wooden Bluetooth speaker*

*S31 - 5W wooden Bluetooth speaker*

*E18 – Wireless earbuds with walnut charging base*

*D11 – Isolated bottle with stainless steel and FSC*

We certify that the used wood and bamboo are coming from forests that are sustainably and responsibly managed. The FSC principles are based on the respect of international treaties, the rights of indigenous people, forest workers and local communities.

Our test reports are available upon request.
