

O31 - Bamboo Desk Lamp 10W

Certified bamboo desk lamp with lighting logo and 10W induction charging base. Possibility to change the HUE thanks to touch buttons on the base.

Induction technology makes it possible to charge compatible devices (smartphone, mice, headphones, etc.) directly on the base of the lamp, at the location of the lighting logo.

The base also has a USB A charging port for devices that do not support wireless charging. This allows the charging of two devices simultaneously.

Everything is included: personalization, recycled paper gift box and rPET charging cable.
