

O26 - Foldable Mouse Pad

Foldable mouse pad with 10W wireless charging zone, made of recycled PU and ABS with lighting logo.

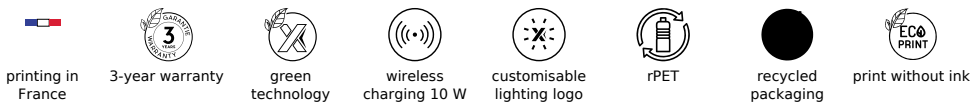

The mouse pad is compatible with Qi charging. It is light and easily transportable, it is designed for work on the go.

The material of the mouse pad is coated and comfortable to use with any type of mouse. The thinness of the product makes creases undetectable when used flat.

The mouse pad incorporates several magnets to allow a fast and intuitive folding. It is also possible to fold the mouse pad in order to constitute a support for your mobile phone.

The lighting logo lights up when the product is powered on.

Everything is included: personalization, charging cable and recycled cardboard gift box.
