

F05 - Nomad Lamp

The F05 is a small portable lamp with a luminous logo.

Equipped with a 1400 mAh battery, the lamp has an autonomy of 6 to 10 hours depending on the brightness.

The intensity of the light is adjustable using a touch button on the top of the lamp.

The lamp is customizable with a lighting logo on the base.

Thanks to its IP44 waterproof protection index, the lamp is resistant to rain and humidity, it can be used both indoors and outdoors.

Everything is included :

light-up logo customization, charging cable and gift box.
