W21 - Wireless Slim Base 15W

Extra slim wireless charging base with rubber soft-touch finish and light-up logo. Thanks to its latest technology, the base can supply up to 15W wireless charging power (wall charger not included)

The base has a LED lining which shines white while the base is unactive. When a wireless compatible device is laid on top of it, the light will turn blue.

Once the device is fully charged, the base will automatically go on sleep mode.
