

C39 - The 100% Eco Cable

Eco-friendly fast-charging (2.4A) cable with double light-up logo on both sides.

This cable is entirely made with environmentally friendly materials: recycled PET cords, bamboo, wheat fibers and recycled ABS..

This cable is made to be universal thanks to its 3 outputs (Type C, Android, iPhone), it can charge up to three devices at the same time.

The cable is customizable with a light-up logo on both sides, which can be different from each other (option).

Delivered in an eco-friendly cotton pouch with kraft paper card.
