

D21 - The 100% Eco Bottle

550ml borosilicate glass bottle with certified bamboo lid. The bottle has a recycled silicone sleeve and wrist strap.

Thanks to its eco-sourced attributes, the bottle is made entirely from environmentally friendly materials.

Borosilicate glass is durable and can contain both hot and cold drinks. It is tested and approved by German food safety legislation (LFGB).

The silicone sleeve is removeable to wash the bottle in the dishwasher.

Everything is included: laser printing on silicone sleeve and recycled paper round gift box.
