

H11 - Smart Home Charger

4.2A smart home charger with rubber soft-touch finish and light-up logo. Thanks to the 5V/2.4A ports, you can charge up to 4 devices simultaneously.

The home charger is equipped with 2.4 USB and 2.4 USB-C outputs.

Each port has a blue light indicator which lights up when a device is charging. Once the device is fully charged, the indicator turns off (excluding smart devices like smartphones or smart watches).

EU and US plugs included.
