

# L05 - Smart Cooler Bag

Cooler bag made of recycled PET in 1680D waterproof fabric.

The cooler bag is equipped with a smart display to show temperature inside the bag.

The insulated fabric inside the bag can keep food at the right temperature for several hours.

Just touch the screen to read the temperature inside. The cooler bag can hold up to 5,2 l, or up to 10 cans of 33 cl and features a zipped front pocket and a handle.

Everything is included: printing on front metal plate, non-woven storage pouch and 3-year warranty.
