

P39 - Magnetic Wood Powerbank 5000 FSC 100% Maple Wood

Backup battery with light-up logo and MagSafe technology, which makes the battery magnetically attracted to the back of the phone.

This product is designed in compliance with environmental standards: 65% wood and 3-in-1 rPET cable included.

Magnetic wireless powerbank with 5000 mAh capacity, digital battery display and USB type C output/input.

If your phone does not have MagSafe technology (from iPhone 12), you can add the sticker on the back of the phone to make it compatible with the supplied magnetic holder.

Everything is included: light-up logo customization, recycled cardboard gift box and 3-in-1 rPET cable.
