

G01 - Heating Bodywarmer

Innovative, versatile and composed of microfiber, this heating bodywarmer offers a homogeneous warmth thanks to its 11 pads located on the front, the back, and the top of the vest.

You can choose between 3 temperature levels (low, medium, and high). Use the smart button to select the temperature level and the area you want to heat.

Four different sizes are available (S-M, M-L, L-XL, and XXL-XXXL). The body warmer has been designed with side zippers to be perfectly adapted to any body shape and for people who want to maintain their freedom of movement in cold weather.

A 10.000 mAh powerbank is included, a second one is available in option.

This product is packed in a pouch.

Everything is included: Embroidery, bodywarmer, powerbank and charging cable.
