

F11 - Tumble Lamp

The F11 is a small portable lamp with a 400 mAh battery.

It can run around 2-3 hours, depending on the light intensity selected. Light intensity can be adjusted by using the button located at the center of the lamp.

The lamp can be customized with a luminous logo.

Thanks to its IP54 waterproof rating, the lamp is resistant to water splashes and dust, making it suitable for both indoor and outdoor use.

Everything is included: customizable lighting logo, charging cable and recycled cardboard gift box.
