

W35 - 15W Magsafe Ring Charger

15W MagSafe charger in recycled aluminum, customizable with LED logo.

If your phone doesn't have MagSafe technology (from iPhone 12), you can add the included magnetic sticker on the back of the phone to make it compatible with the supplied magnetic support.

The folding ring holds the base in a vertical or horizontal position when charging.

Everything is included: 2-in-1 cable in rPET from recycled bottles and gift box in recycled cardboard.
