

C55 - Pro Charging Kit 65W

Charging set including 65W fast charging adapter and 60W fast charging 5-in-1 charging cable with digital display.

The set allows you to recharge laptops, tablets and smartphones. It is equipped with PD and GaN technology and dual Type-C and USB-A output for fast and convenient charging.

The cable has rPET cords (plastic made from recycled bottles) and is customizable with a bright logo on both sides. Its dual USB-A + USB-C input makes it 100% compatible with the latest computer models.

It is presented in a recycled cotton pouch for portable use.

Everything is included: recycled material pouch and personalization on the cable.
