

# C57 - Display MagCable 100W

Ultra-fast 100W magnetic charging cable.

The cable features a digital display showing the power delivered in watts (PD technology).

Able to charge smartphones, tablets and mobile computers.

CarPlay compatible.

1.5 meters cable for Type-C and iPhone, with recycled nylon cords and zinc caps.

Dual USB-A + USB-C input makes the cable 100% compatible with the latest computer models.

Customization is done by laser engraving on the zinc end cap.

Everything is included: customization and recyclable TPU sleeve with recycled paper card.
