

E26 - ANC Digibuds Earbuds

Bluetooth 5.4/3.0 wireless earbuds with stereo sound quality and noise reduction (ANC), in a case with multifunction interactive touchscreen.

Customized four-color logo on the configured digital screen.

Multiple display functions: games, timer, weather...

The headphones are supplied with their charging case and a USB-C rPET cable for recharging.

The integrated microphone function lets you take phone calls (sound in both earpieces).

Everything is included: rPET charging cable made from recycled bottles and recycled cardboard gift box.
