

O35 - Credit Card Holder

Magnetic credit card holder (magsafe compatible) in aluminum with manual push system for easy card removal.

It blocks 100% of RFID/NFC frequencies

Its sturdy structure and slim design allow you to store your cards safely. Holds up to 6 cards.

Thanks to MagSafe magnets, the credit card holder is designed to attach firmly to a smartphone. If your phone does not have this technology (from Iphone 12), you can use the magnetic ring provided.

Everything is included: Personalization by laser engraving with mirror effect and sliding box in recycled cardboard.
