C32 - Night Mode Cable 60W

Ultra-fast 60W charging cable, 1 meter long, with illuminated logo.

It features a button to turn off the illuminated logo for more comfortable use at night in the car.

This cable is designed for data transfer with Apple CarPlay and Android Auto applications (with Type-C and Lightning output).

The dual USB-A + USB-C input makes the cable universally compatible with the latest computer models (MacBook).
The cable is made from eco-friendly materials: 100% recycled ABS, PET, and aluminum. Soft-touch rubber for import / 100% recycled ABS with satin finish in stock.

Everything is included: customization of the front panel and recyclable TPU pouch with recycled paper card.

4-in-1 cable	recycled ABS	60W fast-charge cable	Apple & Google CarPlay	computer charging	data transfer	printing in France	3-year warranty	customisable lighting logo	Night mode	rPET	recycled packaging
