# C33 - Double C Cable 60W

1-meter rubber and metal cable, equipped with 3 connectors (2 Type C and 1 Lightning) and rPET cords (plastic made from recycled bottles). Customization is available on one side, with an LED light-up logo.

The cable can charge 2 or 3 devices at the same time.

Thanks to its dual USB-A + USB-C input, the cable is 100% compatible with the latest computers on the market (USB-C).

The 2 illuminated logos can be different from each other (optional).

Everything is included: front/back customization and recyclable TPU pouch with recycled paper card.

5-in-1 cable	recycled ABS	60W fast-charge cable	computer charging	printing in France	3-year warranty	global recycled standard (GRS)	customisable lighting logo	rPET	recycled packaging	print without ink	rail transport
