

C34 - Watch Cable 7-in-1

7-in-1 cable, equipped with 5 output connectors (Lightning, Type-C, Apple Watch, Samsung Watch, and Garmin connector) and specially designed for charging devices and smartwatches.

The cable is also equipped with a dual USB A and Type-C input connector, making it 100% compatible with the latest computers on the market. It can charge 2 or 3 devices simultaneously.

The cables are made from rPET (plastic from recycled bottles).

Everything is included: customization of the front panel and recyclable TPU pouch with recycled paper card.
