

C58 - Magnetic White Flat Cable 60W

Ultra-fast 60W charging cable, flat and magnetic, 1 meter long. Capable of charging smartphones, tablets, and laptops. Compatible with Apple and Android CarPlay.

White cords made from rPET (plastic from recycled bottles) and metal zinc connectors.

The dual USB-A + USB-C input makes the cable 100% compatible with the latest computer models.

Everything is included: laser engraving customization on the zinc tip, a recyclable TPU pouch, and a recycled paper insert.
