

B11 - Mirror Pen Set

Set of 3 pens made of aluminum with a soft-touch rubber finish.

The set includes:

- A ballpoint pen: equipped with high-quality German Dokumental® blue ink, offering an impressive writing length of 1,800 meters. The tungsten carbide tip ensures smooth and precise writing.
- Rollerball pen: equipped with German Dokumental® black ink with a writing length of 400 meters, ideal for elegant and fluid lines.
- Graphite pencil: equipped with a durable lead that offers up to 5,000 meters of writing, perfect for sketches and notes.

Each pen and pencil comes with an extra refill, extending its lifespan:

- 2 years of use for the ballpoint pen with the extra German Dokumental blue ink refill
- 6 months of use for the rollerball pen with the extra German Dokumental black ink refill
- 3 years of use for the graphite pencil with the replacement lead

Everything is included: laser engraving with mirror effect and a sliding gift box made from recycled cardboard.
