

# O34 - 240W Power Stand

Foldable phone stand with 360° rotation, designed to deliver comfort, flexibility, and everyday practicality.

Supplied with a high-power 240W 4-in-1 cable, featuring dual input (USB-C / USB-A) and dual output (USB-C / Lightning) for maximum compatibility.

Primarily designed for smartphone use, this product can also, thanks to the included 240W cable, charge high-power electronic devices such as laptops, gaming consoles, power stations, drones, and more.

The cable also supports data transfer and is compatible with Apple CarPlay and Android Auto, ensuring smooth and reliable connectivity.

All-in-one premium solution: laser-engraved logo on the stand, 4-in-1 rPET cable, and recycled cardboard gift box for a refined and responsible presentation.
