C35 - 5-in-1 Dual Cable 65W

65W cable with an innovative dual connector and luminous logo, featuring three connectors (USB-C, Android, iPhone) and rPET cords (plastic made from recycled bottles).

With its 65W power output, it can efficiently charge a laptop as well as a wide range of electronic devices.

Thanks to its innovative dual USB-A + USB-C input, the cable is 100% compatible with all laptops on the market and can charge two to three devices simultaneously.

All-in-one premium solution:
1 side customization and a recyclable TPU pouch with recycled paper card, combining performance with responsible design.

| 2-in-1 connector | 5-in-1 cable | recycled ABS | power delivery (W) | computer charging | printing in France | 3-year warranty | customisable lighting logo | power Delivery | rPET | recycled packaging | print without ir |
