

H17 - 100W HDMI HUB

5-in-1 hub enabling connection of up to five devices simultaneously, designed to enhance everyday productivity.

Featuring a 4K HDMI port, two USB-A data ports (2.0 and 3.0), a USB-C 2.0 port, and a USB-C Power Delivery 100W port, it provides a complete solution to easily expand your computer's connectivity. The USB-C PD 100W port also allows efficient charging of your laptop.

An integrated rPET USB-C cable ensures instant and effortless connection, while supporting data transfer.

All-in-one premium solution: mirror-finish logo customization and a sliding recycled cardboard box, delivering a refined and responsible presentation.
