

# P33 - 5000 MAh Digipower

Customizable power bank with LCD display, designed to create a unique digital brand experience. The integrated screen allows you to upload one 10-second animated GIF or up to 5 visuals, offering an innovative, high-impact communication medium.

Featuring MagSafe 15W technology and a 5,000 mAh capacity, it is made from recycled materials, combining performance with responsible design.

Equipped with a 20W USB-C output with Power Delivery technology, it delivers fast and efficient charging. It comes with a 20W 3-in-1 cable, enabling simultaneous charging of multiple devices (USB-C and iPhone). For non-MagSafe smartphones, a magnetic ring is included.

The product is supplied in a premium gift box, including a 3-in-1 cable, providing a complete, ready-to-use solution.
