

T21 - Travel Charger 65W

65W fast-charging travel adapter featuring an integrated 65W retractable Type-C cable, a light-up logo and a soft-touch finish.

Designed for travel, this compact charging solution combines a 65W GaN charger with a 70 cm retractable Type-C cable. No need to carry an additional cable.

The adapter delivers up to 65W Power Delivery, both through the integrated Type-C cable and via the Type-C port. It can therefore charge laptops, tablets and smartphones. The additional 18W USB-A output ensures compatibility with a wide range of devices and accessories.

It comes with 2 removable plugs, making it easy to carry and ideal for travel in the United States, Europe, the United Kingdom and more than 200 other countries.

Its compact cube-shaped design combines a premium soft-touch finish with a customizable light-up logo on the front for maximum brand visibility.

Thanks to its multiple outputs, several devices can be connected simultaneously.

Everything is included: customization with a light-up logo and a PU case.
