

P41 - Powerbank MagLed 5000

5,000mAh magnetic power bank with wireless charging and a transparent design.

The power bank is compatible with MagSafe® magnetic wireless charging and provides a convenient and reliable everyday charging solution. Its compact size makes it easy to carry.

For phones that are not MagSafe-compatible (models prior to iPhone 12), a magnetic ring is included.

The large light-up branding area on the back ensures maximum logo visibility.

Everything is included: customization with a light-up logo and a recycled cardboard gift box.

Cable not included.
