G03 - ThermoVest

The ThermoVest is a heated bodywarmer designed to provide warmth and comfort in cold weather. Equipped with 11 integrated heating zones, it distributes heat throughout the body and offers three temperature settings.

Four sizes are available: S-M, M-L, L-XL and XXL-XXXL. The bodywarmer features side zips to adapt to all body shapes while maintaining complete freedom of movement.

A 10,000mAh power bank is available as an option.

This product is supplied in a pouch.

Embroidery customization included.
