

# C28 - 5-in-1 Dual Cable

Rubber & metal finish cable (length: 1m) with double lighting logo fitted with 3 jacks (Type C, Android, iPhone) and rPET cords (plastic from recycled bottles).

The cable can charge 2 or 3 devices at the same time.

Thanks to its dual USB-A + USB-C output, the cable is 100% compatible with the latest computers on the market (USB-C).

The 2 illuminated logos can be different from each other (option).

White, blue and red LED colors are available from stock.

LED color can also be orange, yellow, green or dynamic multicolour (option).

Everything is included: recto/verso customisation and recyclable TPU sleeve with recycled paper card.
