P37 - Powerbank Wireless Extra Wood 5000

This battery has been designed to be environment-savvy: wood; rABS and 3-in-1 rPET cable. On this powerbank, the lighting logo has a round shape to reduce plastic within the product.

Power: 5000 mAh and double output USB 2A. This powerbank can be used as a wireless charging station for QI-compatible smartphones.

The logo lights up for 30 seconds as the battery is handled. It stays lit when charging.

Everything is included : customisation, eco gift box and rPET 3-in-1 charging cable.
