

# C38 - Eco Cable 5-in-1 40W

Wooden 5-in-1 fast charge cable with lighting logo and 3 connectors (Type C, Micro USB, iPhone).

The cords are made of rPET (recycled plastic out of bottles).

Thanks to its dual USB-A + USB-C output, the cable is 100% compatible with the latest computers on the market (USB-C).

The 2 lighting logos can be different from each other (optional).

The cable can charge 2 or 3 devices at the same time.

Everything is included : recto/verso customisation and recyclable pouch with kraft paper card.
